No Mercy to Be Shown the Followers of the Red Flag in Russia.

ALL REFORMS NOW AWAIT THE BOUMA.

Deputy County Clerk David A. Smith yesterday that it proposes that the customary Smith guarantee of putting down the "reds," following on the heels of the crushing revolt at Moscow, demonstrates the confidence of Premier Witte's government that it has the ability to complete the task it has undertaken. The main cause of this confidence is the fidelity displayed by the troops. That the government was uncertain of how far the extensive propaganda conducted by the revolutionists in the army had shaken the loyalty of the troops is unquestionable, but the events of the last fortnight, it seems to believe, have proved completely reassuring on this point.
